Sub:- Admission Announcement for on-campus M.Sc, MTech, MBA, and PG Diploma  
Programs- AY 2022-23

Madam/ Sir,

Please find enclosed the poster of the Post Graduate Admissions Programme of Kerala University of Digital Sciences, Innovation and Technology (Digital University of Kerala) for the year 2022-23. The Govt. of Kerala established the Digital University Kerala as a state university by converting the Indian Institute of Information Technology & Management-Kerala (IIITM-K), which was set up in the year 2000. DUK now functions from the Technopark and Technocity campuses in Thiruvananthapuram. The University has commenced the application process for on-campus MTech (AICTE approved), MSc, MBA, and PG Diploma programs for the academic year 2022-2023.

We welcome applications from prospective students for the following programs:

- **MTech Computer Science and Engineering** (AICTE approved),
- **MTech Electronics Engineering** (AICTE approved),
- **MTech Electronic Product Design** (Flexible-Weekend Program)
- **MSc Computer Science**
- **MSc Electronics**
- **MSc Data Analytics**
- **MSc Ecology (Ecological Informatics)**
- **MBA**
- **Post Graduate Diploma in e-Governance**

All MTech and MSc admissions will be based on the performance at a national level entrance test (DUAT ) conducted by Digital University or GATE/JAM scores. MBA admissions will be based on the performance CAT (IIMs)/ GRE/CMAT (AICTE)/KMAT (Kerala)/XAT (XLRI)/NMAT (GMAC) and GD, Written Ability Test, interview, academic performance, and work experience.

Deadline for submission of applications: 1<sup>st</sup> May 2022. For more details on admissions, please visit <https://duk.ac.in/admissions2022/>

The University hosts several research centres in areas like Data Engineering, Machine Learning and Cyber Security. Centres such as the Kerala Blockchain Academy, Maker Village, Thingbator, and Graphene Innovation Centre are also hosted by the University. The institute also serves as a nerve centre for many activities of professional bodies like IEEE and ACM in intelligent ICT systems.
