NOTICE/26.05.2022

Due to the disruption of regular train service causing serious problem in commuting for teachers and students, and significant drop in students attendance, it is hereby notified that all offline classes will remain suspended with effect from 27.05.2022 (Friday) till 13.06.2022(Monday). However, classes will be held in online mode, following the previous online time schedule. Department may arrange practical classes and activities as per requirement. College office will remain open during this period and necessary administrative works will take place as usual including NAAC related works.
