

STUDENT SEMINAR

Organized By

Department of Physics

Bejoy Narayan Mahavidyalaya

Venue: Department of Physics

Speakers: **Students of Semester VI Physics Hons.**

Date: June 02-03, 2023

Apurba Ghosh
"Electron Microscope"
June 02; 12 Noon

Dwipayan Konar
"Carbon Nanotube
& Application"
June, 02; 2:00 pm

Himanshu Barik
"Evolution of Universe"
June, 02; 12:20 pm

Kushal Bhattacharjee
"Wave-particle Duality
& Quantum Mechanics"
June, 02; 2:20 pm

Munshi Saklaine Mustak
"Alternative Energy &
Energy Harvesing"
June, 02; 12:40 pm

Pritha Ghosh
"Piezoelectricity &
Applications"
June 02; 1:00 pm

Naba Kumar Hansda
"Electron Spin
Resonance"
June, 02; 2:40 pm

Interested Persons are cordially invited to join the session
