NOTICE : 20/03/2024

Dear Students, Faculty Members, and Non-Teaching Staff,

We are pleased to announce that a Thalassemia Test Camp will be organized on 21/03/24 at 11 a.m. in our college, courtesy of the NSS units of Bejoy Narayan Mahavidyalaya. This initiative aims to promote awareness and early detection of Thalassemia, a genetic blood disorder.

All students, faculty members, and non-teaching staff are warmly invited to participate in this important program. Your involvement not only contributes to your own health awareness but also supports our collective effort in fostering a healthier community.

Please be reminded that the reporting time for the camp is 11 a.m. in the Physics Hall. Your punctuality will be greatly appreciated as it will ensure the smooth running of the event.

Let's come together and take a step towards a healthier future.
