NSS PROGRAMME REPORT

WORLD ENVIRONMENT DAY CELEBRATION

Name of the Programme	:	World Environment Day Celebration – Plantation of Saplings
Date	:	5th June 2026
Venue	:	College Campus
Organized by	:	National Service Scheme (NSS) Unit, BEJOY NARAYAN MAHAVIDYALAYA
Number of Volunteers	:	23 NSS Volunteers
Programme Officer	:	TANUSREE BHADRA (P.O.,UNIT-II)

Objectives of the Programme:

- To create awareness about the importance of trees and environmental protection.
- To encourage students to take responsibility for a greener environment.
- To celebrate World Environment Day through constructive environmental action.

Description of the Programme:

On the occasion of World Environment Day, the NSS Unit of Bejoy Narayan Mahavidyalaya organized a sapling plantation programme on 5th June 2026 within the college campus. The programme began in the morning. Social workers of Itachuna, Khanyan presented saplings to Principal Sir to celebrate World Environment Day. NSS volunteers planted these saplings under the guidance of the Programme Officer.

The Programme Officer addressed the volunteers and explained the significance of World Environment Day and the importance of planting trees to combat climate change, air pollution, and global warming. Volunteers were encouraged to adopt and nurture the planted saplings.

After the briefing session, NSS volunteers actively participated in planting saplings in designated areas of the campus. Necessary precautions were taken to ensure proper planting and watering of the saplings.

The volunteers showed great enthusiasm and teamwork throughout the programme. The plantation drive concluded with a pledge by the volunteers to protect the environment and take care of the planted saplings.

Work Done:

- Plantation of saplings within the campus.
- Watering and fencing of newly planted saplings.
- Cleaning of the plantation area.
- Awareness among volunteers about environmental conservation.

Outcome of the Programme:

- Increased green cover in the campus.
- Enhanced environmental awareness among students.
- Active participation and sense of responsibility among NSS volunteers.
- Contribution towards a cleaner and greener environment.

Conclusion:

The plantation programme on World Environment Day was successfully conducted with the active participation of NSS volunteers. The programme helped instill environmental values and reinforced the importance of sustainable living.
