GREETINGS FROM PRINCIPAL

Bejoy Narayan Mahavidyalaya (BNMV) stands as a proud symbol of Rural Bengal's academic heritage, blending tradition with innovation to shape the future of higher education. Since its founding, the institution has grown from humble beginnings into a distinguished center of learning, driven by a vision of excellence in academics, research, and community service.

The college owes its origins to the visionary Sri Bejoy Narayan Kundu and the pioneering leadership of its first Principal, Late Gopal Chandra Majumder. Over time, BNMV has flourished into a vibrant institution affiliated with the University of Burdwan, serving thousands of students across diverse disciplines. Its sprawling campuses offer state-of-the-art facilities for learning, living, and recreation, fostering an environment where students can thrive academically and personally.

BNMV has embraced digital transformation to stay ahead in the evolving educational landscape. From smart classrooms and campus-wide Wi-Fi to advanced software for admissions and management, technology is seamlessly integrated into every aspect of learning and administration. A dedicated language lab further enriches students' communication skills, preparing them for global opportunities.

The college takes pride in its academic achievements, offering a wide array of courses while nurturing linguistic diversity. Faculty development remains a cornerstone, with remarkable growth in both numbers and research output. Departments recognized as research centers and faculty serving as Ph.D. supervisors reflect BNMV's commitment to scholarly excellence.

Beyond academics, innovation and community outreach are integral to BNMV's identity. Initiatives like 'Vegetator,' a cold-storage solution for local farmers, showcase how academic knowledge can address real-world challenges. Programs led by NSS and NCC units instill social responsibility in students while making tangible impacts on rural communities through literacy drives, health campaigns, and agricultural support. Environmental conservation is another pillar of BNMV's mission. Through initiatives like butterfly gardens and sacred groves, several medicinal plant gardens, Biodiversity Education Centre, the institution has earned accolades for promoting sustainability and biodiversity.

As BNMV approaches its 75th anniversary, it stands ready to embrace new challenges by introducing specialised programs in emerging fields, strengthening industry ties, expanding digital learning reach, and enhancing research capabilities. Sustainability will remain central to its vision as it continues to empower future generations of scholars and leaders.

The journey of Bejoy Narayan Mahavidyalaya is not just one of growth but a testament to the transformative power of education in rural India. With an unwavering commitment to its mission, BNMV remains a beacon of knowledge and opportunity for all who seek it.

INTERNAL COMPLAINTS COMMITTEE

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 implemented by the Ministry of Women and Child Development, Government of India. The Ministry of Human Resource Development via notification dated 2nd May, 2016 made University Grants Commission (Prevention, Prohibition and Redressal of Sexual Harassment of Women employees and students in Higher Educational Institutions) Regulation, 2015. It is a comprehensive legislation to provide a safe, secure and enabling environment, free from sexual harassment to every woman. This statute was enacted to fill the legislative void which had been partially addressed by the judiciary in *Vishaka and Others vs. State of Rajasthan and Others* (1997 (7) SCC 323). In this seminal public interest litigation verdict, the Supreme Court of India had framed a set of guidelines ("Vishaka Guidelines") for dealing with instances of sexual harassment at the workplace, which has now been codified in the POSH Act.

Under the POSH Act, an employer is legally required to comply with certain statutory requirements. One of these is the constitution of an Internal Complaints Committee ("ICC"), a body envisaged to receive complaints on sexual harassment at the workplace from an aggrieved woman, as well as to inquire into and make recommendations to the employer on the action required pursuant to its inquiry of such complaint made.

UGC Regulation states the responsibility of HEIs to act decisively against all gender-based violence against employees and students of all sexes and to reinforce its commitment to creating its campus free from discrimination, harassment, retaliation and any form of sexual assault.

According to Supreme Court Guidelines Sexual Harassment can be defined as unwelcome sexually determined behavior whether directly or by implication as

1. Physical contact and advances
2. Demand or request for sexual favors
3. Making sexually colored remarks
4. Showing pornography
5. Any other unwelcome physical, verbal or nonverbal conduct of sexual nature.

OBJECTIVE AND ROLE OF ICC

1. To take consistent action for Prevention, Prohibition and Redressal of Complaint received regarding sexual harassment, gender discrimination of women employee at Workplace.
2. Prevent gender discrimination and sexual harassment by promoting gender sensitization among the students and employees.
3. Make recommendations to the administration to lay down the procedures for the prohibition, resolution and prosecution of acts of discrimination and sexual harassment by the student and the employee.
4. Deal with the cases of discrimination and sexual harassment of a women employee in a time bound manner aiming at ensuring support services to the victim and termination of harassment.
5. Recommend appropriate punitive action against guilty party.
6. Constantly keep a vigil on the internal processes to check on the safety parameters for women workers especially.

7. Recommend to the employer on changes that needs to be incorporated in various policies, processes and procedural matters related to safety of employees/prevent any kind of sexual harassment from taking place.

COMPLAINT REGISTRATION

Register your complaint related to Sexual Harassment with any member of the College ICC. Also, Complaint Box has been displayed near the office of the College for reporting of grievances.
