CELEBRATION OF NATIONAL SCIENCE DAY

February 27-28, 2026

28th February is celebrated as National Science Day (NSD) in India. NSD is celebrated to **commemorate the discovery of 'Raman Effect'**, which led to Sir C.V. Raman to be the first Asian to receive a Noble Prize in 1930. NSD is celebrated to spread a message about the importance of science used in the daily life of the people, and at the same time to display all the activities, efforts and achievements in the field of science for human welfare.

**Summary of the Celebration of National Science Day, February 27–28, 2026
Organized by Bejoy Narayan Mahavidyalaya, Itachuna, Hooghly, West Bengal
in collaboration with The Zoological Association of Burdwan.**

The two-day programme began with the ceremonial lighting of the lamp by the dignitaries. An inaugural session consisted of welcome and inaugural addresses by our teacher and the Principal. This was followed by technical sessions over two days that included three invited lectures delivered by eminent academicians from reputed institutions.

The speakers discussed significant topics such as “Women and Science: Indian and International Perspectives”, “Our Universe”, and “Research on Climate Change and My Experience at North Pole” inspiring students and faculty alike.

A scientific exhibition showcasing innovative student models and poster presentations was organized on the first day. On the second day, departmental visits to laboratories, museums, and the herbal medicinal garden were conducted to provide practical exposure to students from neighbouring schools.

The programme concluded with a valedictory session, award distribution to students, participants’ feedback, and a vote of thanks. Overall, the event successfully promoted scientific awareness, research interest, and academic collaboration among students of college and schools and faculty members.

**Report on the Celebration of National Science Day, February 27–28, 2026
Organized by Bejoy Narayan Mahavidyalaya, Itachuna, Hooghly, West Bengal
in collaboration with The Zoological Association of Burdwan.**

The Celebration of National Science Day was successfully organized on February 27 and 28, 2026, at Bejoy Narayan Mahavidyalaya, Itachuna, in collaboration with The Zoological Association of Burdwan. The two-day programme aimed to promote scientific awareness, encourage research temperament among students, and commemorate the spirit of scientific inquiry.

Day 1: February 27, 2026 (Friday)

The programme commenced with the Inaugural Session at 11:00 AM in the New Auditorium (1st Floor of Darwin Bhaban). The session was anchored by Dr. Manabesh Majumdar. The ceremonial lighting of the lamp by the dignitaries marked the formal

inauguration of the event. Dr. Brotati Chakraborty, Organizing Secretary, delivered the Welcome Address, warmly greeting the guests and participants. The Inaugural Address was presented by Dr. Goutam Bit, Principal of Bejoy Narayan Mahavidyalaya, who emphasized the importance of cultivating scientific thinking among students. The Chief Guest, Mr. Sanjit Banerjee, President of the Governing Body, addressed the gathering and highlighted the role of science education in nation-building. Dr. Asok Dasmahapatra, Executive Committee Member of ZAB and Adjunct Associate Professor at the University of Mississippi, USA, delivered a special address, inspiring students.

The first Technical Session began at 11:30 AM under the Chairmanship of Dr. Asok Dasmahapatra. Invited Lecture I was delivered by Prof. Syamal Chakrabarti, Professor, Department of Chemistry, The University of Calcutta. He spoke on “Women and Science: Indian and International Perspectives”, explaining though women have made significant contributions to science in both India and across the world, they still face challenges such as gender bias, limited opportunities, and underrepresentation in leadership roles. He emphasized the need for equal access to education, encouragement, and supportive policies to promote greater participation of women in scientific research and innovation.

Invited Lecture II was delivered by Dr. Amitava Choudhuri, Assistant Professor, Department of Physics, and The University of Burdwan. His lecture on “Our Universe” provided fascinating insights into cosmology and recent developments in astrophysics.

After the lunch break, a Scientific Exhibition was organized from 2:00 PM to 4:00 PM on the first floor of Darwin Bhaban. Students from the Science and Arts departments of the college actively participated by presenting innovative scientific models and posters. The exhibition reflected creativity, analytical thinking, and interdisciplinary engagement.

Students and teachers from neighbouring schools were invited to participate in the programme.

Day 2: February 28, 2026 (Saturday)

The second day began with a Technical Session at 11:00 AM, chaired by Dr. Malay Ghosh.

Invited Lecture III was delivered by Prof. Santanu Ray, Distinguished Visiting Professor at Kerala University of Digital Sciences and Former Professor, Department of Zoology, Visva-Bharati. His lecture on “Research on Climate Change and My Experience at North Pole” was enlightening and inspiring, sharing firsthand research experiences and emphasizing environmental responsibility.

From 12:10 PM to 2:00 PM, Parallel Sessions were conducted, including:

- Departmental visits to laboratories (Botany, Chemistry, Mathematics, Nutrition, Physics, and Zoology),
- Visit to the Herbal Medicinal Garden,
- Visits to the Museums (History, Botany, and Zoology).

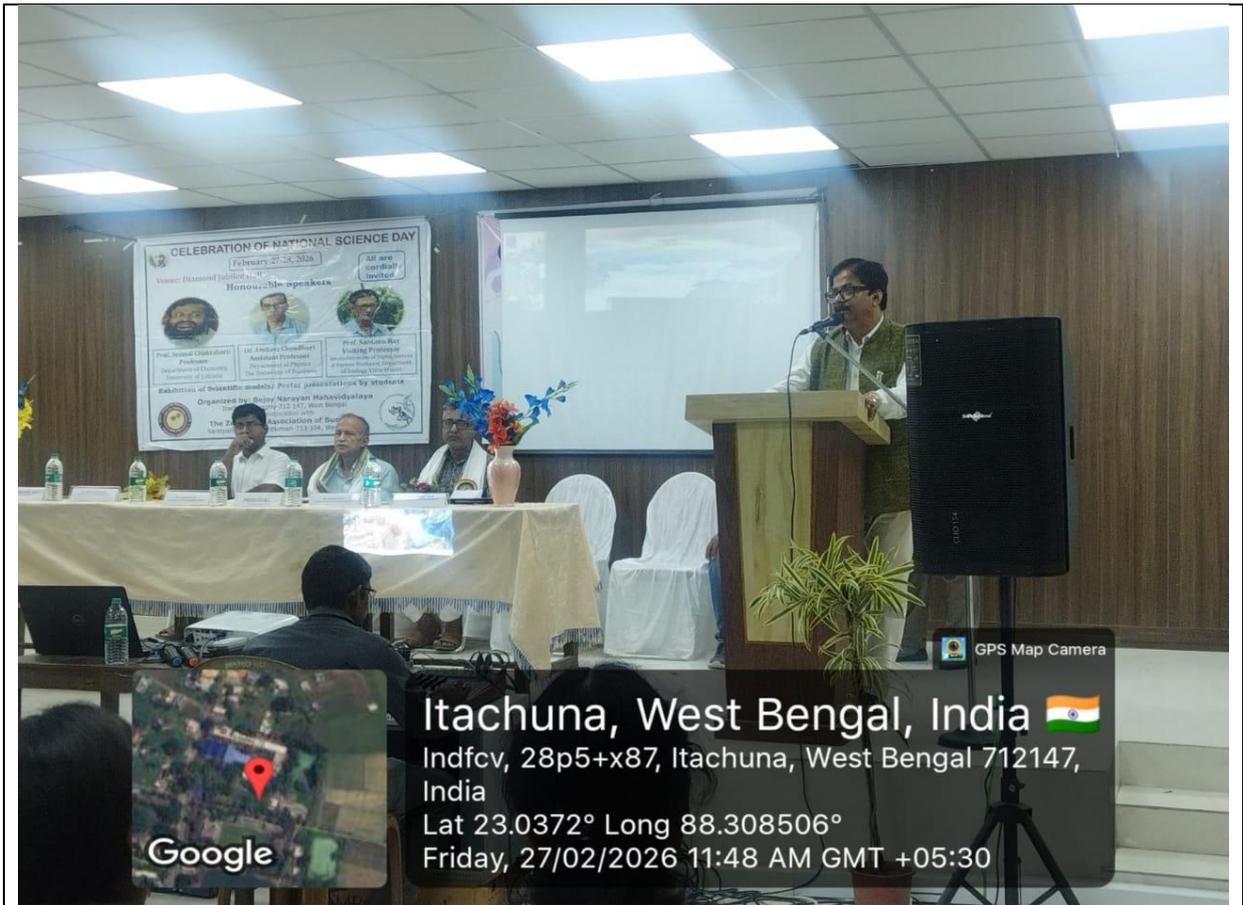

These interactive sessions provided students with hands-on exposure to academic infrastructure and ongoing departmental activities.

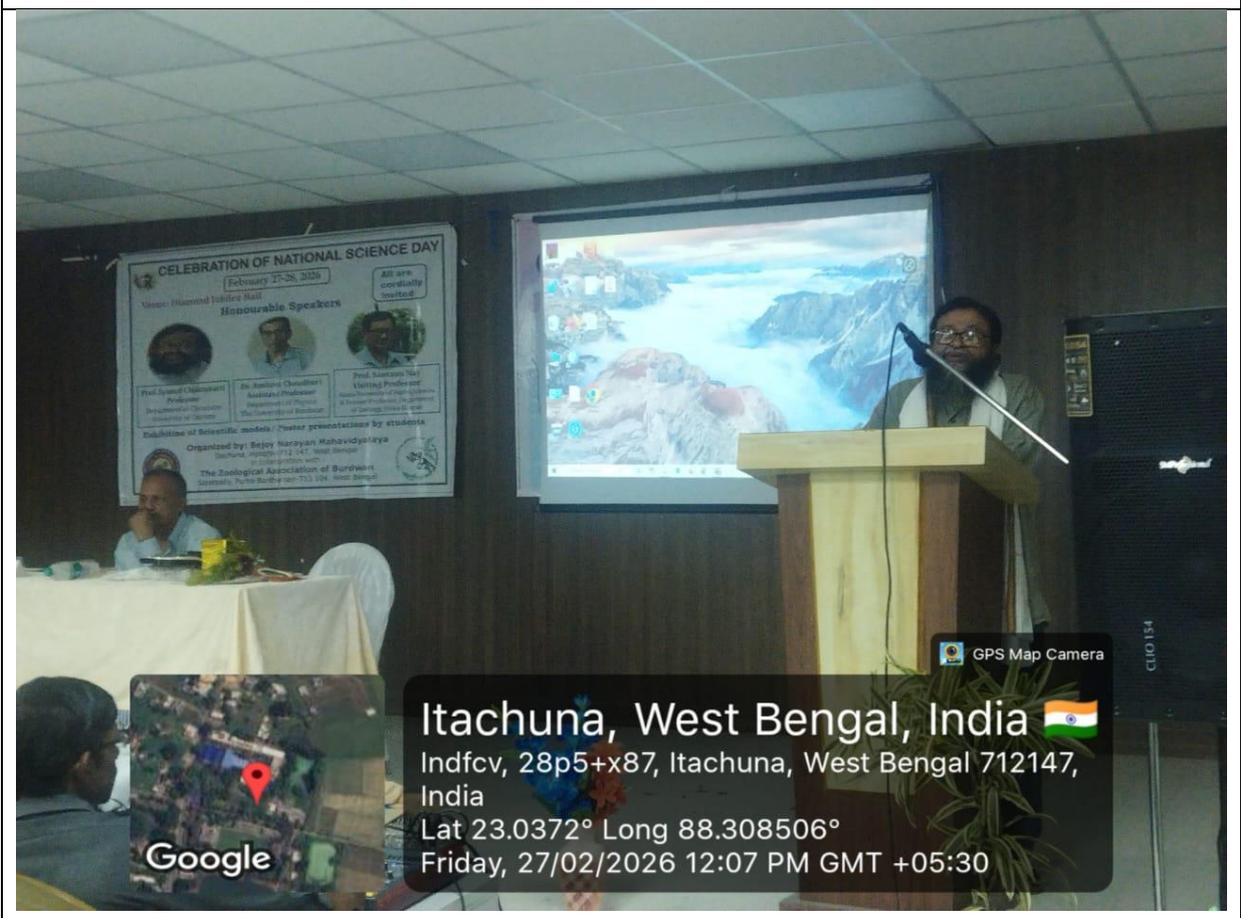

Valedictory Session

The Valedictory Session commenced at 2:00 PM in the New Auditorium. Dr. Shyamsundar Ghosh, Joint Convener, delivered the Valedictory Address, summarizing the success of the two-day programme. Mr. Soumen Chakrabarty, Executive Committee Member of ZAB, also addressed the gathering and appreciated the collaborative initiative. Awards were distributed to students for outstanding performances in the scientific exhibition and poster presentations. Participants shared their remarks, expressing gratitude and enthusiasm. The programme concluded with a heartfelt Vote of Thanks delivered by Dr. Semanti Basu, Joint Convener, acknowledging the efforts of organizers, speakers, guests, students, and supporting staff.

Conclusion

The two-day celebration of National Science Day 2026 was a grand success. It fostered scientific curiosity, strengthened academic collaboration, and provided a dynamic platform for intellectual exchange. The event not only honoured the spirit of scientific discovery but also inspired students to pursue research and innovation with dedication and enthusiasm.
