Date. 16.05.26

## NOTICE

In accordance with the Academic Calendar and notifications issued by The University of Burdwan for the Academic Session 2025–2026, it is hereby notified that the Summer Recess of the College will commence on and from 18.05.2026 and continue up to 13.06.2026.

During this period, regular offline classes shall remain suspended. However, considering the academic interest of the students and the necessity of completion of syllabus, especially in view of the disruption of academic activities during the General Election period, all Departments are requested to maintain academic continuity through online classes, academic interactions, assignments, tutorial support, mentoring and other suitable academic activities as per departmental routine or by arranging special classes as far as possible.

All teachers are requested to remain in regular contact with the students and maintain proper records of such academic activities.

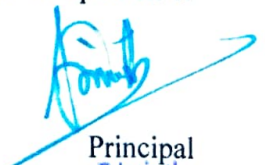

Students are advised to follow the respective departmental WhatsApp groups and remain in touch with their teachers regarding schedules of online classes (if any) and other academic matters.

Since the schedule of University examinations, particularly that of Semester-VI examinations may be notified subsequently by the University, all concerned are requested to remain prepared accordingly.

The College Office, Library and other essential services shall be available during the Summer Recess. Teaching and non-teaching staff members may also be assigned emergent academic or administrative duties as and when necessary.

All regular offline classes shall resume as per the notified academic schedule after completion of the Summer Recess.
